ACCIDENTALLY SHOT.

George Riggs, than whom a tougher kid does not live andwho has figured in every court on various charges since he has been in Ardmore, Saturday evening accidentally shot himself through the right foot with a winchester rifle. The ball, a fortyfive calibre, entered the top of the night. foot and passed diagonally through, shivering the bones and inflicting a very serious wound, which may necessitate amputation. Dr. Gardener was called and rendered medical attention. Riggs was in the east part of town when the accident happened and was taken to a house near by where he still remains. He is the lwk. boy whom Judge Stuart at the last term of court sentenced to jail and afterwards suspended execution of soutence indefinitely with a hope to affect a reformation in his character.
